Chapter 1

R Basics

There's not really much to add for this chapter. Move on to the next one.

Chapter 2

Quickly Exploring Data

1. Produce the following plot with the `mtcars` dataset. It's built into R so you do not need to load any packages:

2. Load the `ggplot2` package and produce the following plot with the `mtcars` dataset:

3. Produce the following plot with the `pressure` dataset. It's built into R so you do not need to load any packages:

4. Produce the following plot. It's the same as the prior plot, but with points added:

5. Produce the following plot. This is the same as the prior plot, but with another line with points added and coloured red:

6. Load the `ggplot2` package and produce the following plot with the `pressure` dataset:
